## **Subject: Important Notice: Marshall Street Repair Project Between 5th and 6th Avenue**

Dear Residents,

Please be advised that the City of Rock Rapids will be commencing a street repair project on Marshall Street between 5th and 6th Avenue starting on Saturday, September 21, pending weather.

The project will involve the removal and replacement of damaged pavement. To ensure the safety of our residents and contractors, the road will be closed during construction.

Once the concrete has been poured, the road will remain closed for approximately 7 days to allow the concrete to cure. We understand that this may cause temporary inconvenience, and we appreciate your patience and cooperation during this time.

We apologize for any disruption this may cause and thank you for your understanding.

Sincerely,

*Micah Freese*

City of Rock Rapids
