Re: Highway 9/75 Dept. of Transportation sidewalk project

The Iowa Department of Transportation is investing in Rock Rapids with upcoming sidewalk improvements along Highway 9 and 75 in 2026. These upgrades will not only enhance accessibility by meeting ADA guidelines but also improve the overall streetscape.

JCG Land Services has been contracted by the IDOT to go door to door to share the scope of the project and how it will impact your property. They will have a set of plans to share and will ask for you to sign a purchase agreement for temporary easement.

Please contact Micah Freese at 712-472-2553 or email city@rockrapids.net if you have questions.

Sincerely,

Micah Freese
